

ADVANCE D3 BRAINSTORMING CHARRETTE

What would be the most effective ways to increase faculty diversity, particularly in tenure track and tenured ranks?

What initiatives would you like to see NC State undertake to increase representation of women and minorities on the tenure track and in tenured positions?

Our ADVANCE Developing Diverse Departments funding period is coming to an end, and we'd like to hear your thoughts about next steps.

If you want to have input into this process, come to the
